SUPPORT LOCAL RETAIL BUSINESSES NEAR FLORIDA AVE AND 3RD ST NW!

DC Water construction at the intersection of Florida Ave and 3rd St NW has made it more difficult for local businesses. Support the nearby businesses by taking some time to shop and dine locally. Some of the most affected businesses are listed below. If you have any concerns about construction in the area, contact DC Councilmember Mary Cheh, Chair of the Committee on Transportation and the Environment. Call: 202.724.8062 Email: mcheh@dccouncil.us

VISITOR PARKING PASS (VPP) PROGRAM: The DC Department of Transportation (DDOT) program lets residents' guests park for over two hours in Residential Permit Parking (RPP) zoned blocks. A VPP is only valid during the hours of RPP enforcement and in the same RPP zone and ANC boundary as the residence. Passes are not needed on holidays or other times when parking restrictions are not enforced. Residents on commercial zone blocks and non-residential addresses are not eligible for VPP or RPP. Call: 202.673.6813 Info: vpp.ddot.dc.gov/vpp

BLOCK INITIATIVES

These initiatives require participants in ANC 5E06 to sign the paper petition by scheduling time online, see links below, or contact Commissioner Lewis. If you can't use the online forms to schedule and have to call, be sure to include in your message the initiative name, your name, and your address. Please return your signed petition forms to Commissioner Lewis. Call: 410.705.4070.

WAYS TO HELP YOURSELF AND YOUR NEIGHBORS

The training and information sessions below can help residents, community leaders and businesses better assist themselves, their neighbors and DC's government to work together and improve the neighborhood.

SENIORS AND SNOW: In the event of snowstorms please help out your neighbors by shoveling the sidewalks in front of their homes in addition to your own. The FREE training below can help prepare you for the task and provide relevant DC resources:

- Volunteer Snow Program: Call: 202.727.7925 Email: dcvsp@dc.gov Info: serve.dc.gov/page/dc-volunteer-snow-program
- Community Emergency Response Team (CERT): Info: serve.dc.gov/service/community-emergency-response-team-cert-training Call: 202.727.7925 Email: dc.cert@dc.gov

THE COMPREHENSIVE “COMP” PLAN

This is a high-level guiding document that sets a positive, long-term vision for the District. It shapes where we live, work, shop, and play; it allows us to be intentional about changes, balance competing interests and helps ensure a vibrant, equitable and resilient city for the future. The Comp Plan also incorporates over 40 plans, guides land use, and impacts zoning and budgets. Call: 202.442.7600 Info: plandc.dc.gov and anc5e06.org/the-comprehensive-plan.

The Comp Plan is being amended and your feedback is needed. Our single-member district is part of the Mid City section of the plan. Commissioner Lewis needs your input as soon as possible. The DC Office of Planning’s deadline for public comments is **December 31st, 2019**. The ANCs’ deadline is **January 31st, 2020**.

KEY PROPOSED TEXT AMENDMENTS FOR RESIDENTS TO REVIEW

Mid City East (North Capitol St, New York Ave, Florida Ave, New Jersey Ave and Rhode Island Ave)

- **Policy MC-2.7.1 Commercial Revitalization**

Revitalize Neighborhood Commercial Areas, Including Retail, Dining, And Small Office Space. Upgrade the commercial district at Florida Ave/North Capitol St/New York Ave, restoring vacant storefronts to active use and accommodating compatible neighborhood-serving infill development.

- **Policy MC-2.7.2: Neighborhood Character**

Preserve and retain the architectural integrity and cultural resources of Mid City East neighborhoods, and encourage compatible rehabilitation and improvement of the area’s row houses.

- **Policy: MC-2.7.3: Connecting Bloomingdale and Eckington**

Improve connectivity between Bloomingdale and Eckington by expanding the North Capitol overpass, decking over the entire expanse to create a tunnel between Seaton Pl and Rhode Island Ave and creating a green space to make crossing North Capitol St more inviting for pedestrians and other persons using non-motor vehicles.

- **Policy: MC-2.7.4: Increased Green Space**

Encourage Preservation and Improvement of Existing Green Spaces in Eckington. Identify new opportunities for additional public green space and tree planting throughout the neighborhood and along the Metropolitan Branch Trail, including in additional pocket parks.

- **Policy MC-2.7.5: New York Ave and Florida Ave Intersection**

Implement short-term and long-term improvements to the intersection of New York Ave and Florida Ave to enhance connectivity, increase safety for pedestrians and those using non-motor vehicles, and reduce motor vehicle speed.

- **Action MC-2.7.A: Mid City East Small Area Plan**

Implement recommendations provided in the [Mid City East Small Area Plan](#).

- **Action MC-2.7.B: Design Guidelines**

Consider design guidelines tailored to the specific neighborhood’s concerns. Info: [Draft Bloomingdale Guidelines](#)

- **Action MC-2.7.C: North Capitol Transportation Study**

Implement the recommendations of the North Capitol Street/Truxton Circle Transportation Study.

• Action MC-2.7.D: Make/Live Workspace

Explore make/live workspace as a buffer between industrial land and residential land as identified in the [Ward 5 Works Industrial Land Transformation Study](#).

• Action MC-2.7.E: Mid City East Livability Study

Implement recommendations provided in the [Mid City East Livability Study](#).

• MC-2.6 McMillan Sand Filtration Site 2016

Several basic objectives should be pursued in the development and re-use of the McMillan Sand Filtration site. These are outlined in the policies below. 2016.4

- Policy MC 2.6.1 - Policy MC 2.6.5: See Comprehensive Plan Mid-City Area Element October 2019, pages 42-44

• Action MC-2.6.A: McMillan Reservoir Development

Continue working with the adjacent communities in the development and implementation of reuse plans for the McMillan Reservoir Sand Filtration site. 2016.10
