Subject: D.C. Comprehensive Plan Amendments-Last Chance to Comment

Good Afternoon Friends and Neighbors:

ANC5E is holding a special Call Meeting on Tuesday, February 11, 2020, at a location which will be determined by Monday, February 3, 2020. This is our final opportunity, as a community, to be heard on the plan which is designed to be a blueprint for D.C. growth and development for the next 20 years. Attached is the draft resolution with attachments that the ANC plans to vote on on February 11th. If you have any concerns, please let me know and we will, together, attend a workshop meeting on this Thursday, February 6, 2020, at 2801 8th Street, N.E., from 7 to 9 pm.

Again, this is our last opportunity to have input into the Comprehensive Plan Amendment before the D.C. Council votes to approve it. Please let me know and plan to attend the meeting on this Thursday if you have any concerns.

Bradley A. Thomas
